Back: Buck; "Perhaps when he was still a boy He watched an eagle soar and wished that he might fly with them and see what eagles do. But his need to fly, to be one with the sky finally overwhelmed him. His soul took light, re reached a new height, and found the peace he longed for. Now the unfathomable gap between heaven and earth that always left me in wonder leaves me secure with pride doesn't seem so wide Now that daddy and God fly side by side. (T.B.)"	cs/ Elizabeth L
